## CLEVELAND MUSEUM OF ART

### MEMBERS OF THE MUSEUM

Early in June an active membership campaign was begun, friends of the Museum being invited to become members at once, with the understanding that the current dues would cover the period ending January 1, 1917. The readiness with which this invitation has been accepted is the best possible evidence of the keen interest being taken in the progress of the building, and the anticipation with which the opening of the Museum is awaited.

Full information as to the conditions and privileges of membership will be gladly given upon application.

Attention is called to the following notable list of those who had, up to the time of going to press, enrolled themselves as the first friends of the Museum.
